

# FS Engine Guard Full Synthetic 0W-20 Passenger Car Motor Oil

## Description

FS Engine Guard 0W-20 is a full synthetic engine oil specifically designed to enhance fuel economy while providing lasting engine protection and peace of mind. This low-viscosity oil is ideal for cold-weather driving environments and helps keep engines clean and well protected.

FS Engine Guard 0W-20 is formulated with the highest-quality synthetic base oils and a balanced additive package to keep gasoline engines running longer and more efficiently. With a lower volatility than conventional engine oils, FS Engine Guard Full Synthetic 0W-20 provides excellent thermal and oxidative stability and helps to reduce oil consumption.

## Typical Properties

Test / Description	Specification
SAE Grade	<b>0W-20</b>
Viscosity @ 100°C (cSt)	8.5
Viscosity @ 40°C (cSt)	49.2
Viscosity Index	150
Density (lb/gal)	7.09
CCS Viscosity (cP)	6,000
Pour Point (°C)	-39
Pour Point (°F)	-38
Flash Point (°C)	215
Flash Point (°F)	419

## Product Availability

12 x 1 qt.	Item #270240
55-gal. Drum	Item #269293
265-gal. Totes	Item #234744
Bulk	Item #268404
