

FS Neutral Orange

Industrial Cleaner

FS Neutral Orange is an industrial cleaner formulated to clean the exterior of CNC machines, and for cleaning the interior sump areas prior to a pump and dump procedure. Depending upon the dilution, **FS Neutral Orange** functions well as a potent cleaner and degreaser when used at concentrations of 2% to 4% in water. It will also remove gummy deposits and caked deposits of dirt, grit, scale, chips, fatty materials, and other sludge forming elements. **FS Neutral Orange** is non-corrosive, safe, and economical to use. (Product is very effective for cleaning machine tool interiors and exteriors. Product will not affect the coolant emulsions in the system. NOTE: Not intended as a vehicle wash, as the product may swirl the paint.

FS Neutral Orange is non-phenolic, and of pleasant odor. For industrial use, **FS Neutral Orange** dilution levels are measurable with a hand held refractometer.

TYPICAL PHYSICAL PROPERTIES

Fluid Type:	Cleaner/ Degreaser
Specific Gravity:	1.0
pH - 5% SOLUTION:	9.0-10.0
COLOR AND ODOR:	Clear/Pleasant Smell
FLASH POINT (concentrate material) OPEN CUP:	NA
FLASH POINT (use/dilution):	Non-Flammable

APPLICATION DILUTION RATES:

Floor scrubbers:	1-6% by volume of water
Pressure washers:	1-5% by volume of water
Mopping:	2-6% by volume of water
Machine Cleaning (Exterior & Interior):	2-4% by volume of water

NOTE: Dilution rates will depend upon the dirt and soil levels, adjustments may need to be made.

STORAGE/ MIXING: Cleaners should be stored at room temperatures (between 55-90 deg. F). Should concentrates be exposed to temperatures out of this range, the concentrate needs to be mixed well prior to use. Product may become unstable/split, if exposed to extreme temperatures. Always add concentrate to water while mixing, or run concentrates through a proportioning unit.

HEALTH AND SAFETY: Refer to Safety Data Sheet for more information.

Warranty: Because conditions of use are beyond our control no representation or warranty is made in connection with the use of this product. Technical information and recommendations are believed to be accurate but are not guaranteed.
