

FS Non-Detergent Engine Oil

SAE 10W, 20W & 30W

Description

Quality non-detergent motor oil recommended for use in applications that specify non-detergent oil. This product is suitable for older, pre-1964 passenger cars that do not require high performance motor oils.

Meets API SB performance requirements

Recommendations:

- Pre-1964 passenger cars
- Lightly loaded gear sets that do not require an extreme pressure lubricant
- Air compressors that require a non-detergent oil
